

SPRING 2021

# FRESH DIRT FOR THE VILLAS

A SEASONAL NEWSLETTER FROM MLH

This season, MLH is your landscape maintenance company for the Villas at Banbury Meadows. We will be providing services as outlined in the *Lawn Care and Landscape Services Guide*.

We are going to be performing maintenance in the Villas on Thursdays and Fridays. A map of the Villas is attached, which details the day your residence will be maintained. Please remember to have any lawn furniture, yard ornaments, pets contained, pet souvenirs picked up, and gates unlocked by 8 a.m. Your assistance is much appreciated.

Due to changing weather conditions, chemical applications may not be applied on the regular service day. We will leave a yellow flag to indicate where application was completed. We look forward to servicing your residences and welcome your input.

Thank you for having us as your landscape maintenance contractor.
