

Eagle Road Repaving

Construction update: May 17

Nighttime closures on the northbound lanes of Eagle Road between Ustick and Chinden are expected to wrap up by late May. Once complete, crews will start repaving work between Chinden and Riverside Drive.

What to expect:

Chinden Blvd. to Riverside Dr. (Northbound lanes only)

Crews will work on the northbound lanes first before turning around and working on the southbound lanes.

- The **northbound side of Eagle Road will be closed at night** for repaving. Traffic will be restricted to one lane in each direction. ALL traffic will use the southbound lanes of Eagle Road.
- Traffic will not be able to turn onto side streets on the east side of Eagle Road during work hours.
- **Work hours:** Nighttime closures will begin at 10 p.m. and end at 6 a.m. on weekdays, 7 a.m. on Saturdays, and 8 a.m. on Sundays.
- **Work will be NOISY.**
- Motorists will drive on a milled (rough) surface during the day.

Crews will work in sections. To learn more about which area they are working in each night and to receive information about timelines, follow the instructions to sign up for updates below!
